Diagram illustrating a 100m sprint race layout. The race is divided into 8 lanes, numbered 1 to 8 from left to right. The starting line is marked on the left, and the 100m mark is marked on the right. The distance of 100m is indicated at the end of each lane. A runner is shown in the middle of each lane, between the starting line and the 100m mark. The runner in lane 4 is labeled "in.W.C.()".
